SCATTERED PICTURES OF THE SMILES WE LEFT BEHIND, SMILES WE GAVE TO  
ONE ANOTHER FOR THE WAY WE WERE. MEMORIES, MAY BE BEAUTIFUL AND YET,  
WHAT'S TOO PAINFUL TO REMEMBER WE SIMPLY CHOOSE TO FORGET. SO IT'S THE  
LAUGHTER WE WILL REMEMBER, WHENEVER WE REMEMBER, THE WAY WE WERE.

## Senior Class Officers

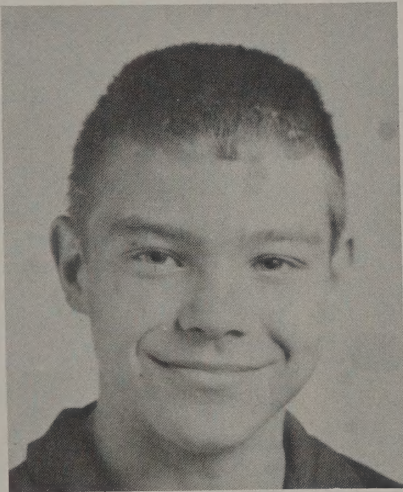

Pat Mahaffey / President    Cindy Abbott / Vice President  
June Gompf / Secretary                      Susan Freakley / Treasurer

We the 1975 Graduating Class of Xenia High School are really looking forward to life. We have accomplished many great things in the past three years. As Sophomores we handled the coat check at the basketball games, later that year we had a candy sale. We began our Junior year with working the concessions at the football and basketball games. We also sponsored a Variety Show during February. The calendar turned to April and tragedy struck us. Our class kept right on working, despite what had happened and put on the best prom ever, following the big wind. As Seniors we helped other groups and organizations put their thing together for success. We had a Senior Dance, handled the announcements and went to Kings Island. We were mostly behind the scenes. Soon we shall part and go separate ways and down our own road. Some of us will go together, some will go alone. But we shall all be remembered by the school and by our class mates, for we all are a part of something. Put us all together and you have, the 1975 Class at Xenia High School.

**WORK**

*The 1974-75 school year has been a "FIRST" in many aspects for the '75 Xenian. This year's staff chose not to strive around an initial theme, however relished the idea of sectional initiative. In this way we the staff hope to have made the '75 Xenian the most versatile yearbook ever published in Xenia High History. We the staff also chose to have the annual sent out following (instead of during) the school year, so that all phases of our senior year could be covered. This was also the first time in annual history that a high school yearbook was published in a junior high building.*

*We, the editors of the '75 Xenian, would personally like to thank everyone who helped compose and establish this annual. We realize that many people were working under extreme difficulties due to the April 3, 1974 Tornado. These people we would like to give special thanks to: Mr. Art Cox for his dedication in photographing the various school events throughout the year; Mr. Mike Ungard for his contributions to our sports section; Howard Kelner and his magnificent photo of our old high school; Mrs. Hagler who handled the business aspects of our yearbook with extreme wizardry, and to Mrs. Mary Nickell who patiently gave of her time so that we could complete this yearbook. Last but certainly not least, "Our Wonder Man" Mr. Ken Miracle our advisor, who saw that we met deadlines but more importantly gave his utmost to make this the most successful Xenian ever. We hope that in our "FIRSTS", through these people, we presented the first Xenia Yearbook that completely satisfied every reader of the Xenian '75.*

*As the school year ends and our pages come to a close we would like to think that this 288 page book reflected the life and times of our senior year. Following tradition we would like to wish the oncoming staff the best of luck with the 1976 Xenian and that they may achieve their goals as rewarding as we have.*

*Good Luck in life seniors, may it be a time of many Happy Firsts. Let us all try to work hard, successfully and together so that we may make this world as happy and exciting as we have made our senior year. May God be with you.*

*The '75 Xenian Editors  
Billie Jo Dean and Tracy P. Wilson*

NO GOAL IS TOO HIGH  
IF WE CLIMB WITH CARE  
AND CONFIDENCE.

# JUNIOR CLASS OFFICERS

We the Junior Class of XHS have been pleased with the 1974-75 school year. Taking on the Junior Class responsibilities of running the concession stand for football and basketball, the profits went to giving one of the nicest proms ever at Xenia High, entitled "A Dream Goes On Forever". Looking back, there's always things over looked or we regretted not doing, but that's nothing new for any class. Looking ahead we are anxious to see the outcome of our last year at XHS, being a bicentennial of the United States, it will be an exciting and eventful one, for sure. We would like to thank our class adviser, Walt Whitacre for his time in helping make the concession stands possible. And out last, but far from least, thanks goes to our student class body, "The Spirit of 76" for in our opinion, it really lives!

# SOPHOMORE CLASS OFFICERS

The Sophomore Class officers of this year were: Sue Fisher, Secretary; Jane Fawley, Treasurer; Debby Cox, Vice-President; and Bob Apple, President. This year for the class project they conducted a candy sale of pecan turtles. During other years the Sophomore classes had the coat check at the home basketball games. Because of the home games being played at Central State University they could not have this concession, so they sold candy instead and made a monstrous profit. They worked well, and tried very hard to please their students.

### THE WINNER

You won the greater battle  
When you played it fair and right  
Although another won the game,  
You really won the fight.

Just keep your standard flying,  
And don't give up the game  
The second place with honor  
Beats any first, with shame.

## **VARSITY**

Basketball and winning have always been a tradition here at Xenia High School.

This year's team can be praised for their gallant play throughout the year even though their record dipped to 9-10 after a disappointing one point loss to Colonel White.

This year's team had great potential with the five regulars Andre Hightower, Doug Sutton, Ray Greene, Bradley Montgomery and Harvey Johnson and received help from sophomore Curtis Wingard.

The only thing that hampered this year's team was inexperience. Five out of the first six men were other juniors or sophomores.

Harvey Johnson played as one of the areas best centers throughout the season as he continuously grabbed rebound after rebound and scored well every game.

We would like to say farewell to our four remaining seniors, Everett Floyd, Nick Kelble, Paul Jones, and Randy "Frog" Daniels.

Those four men were always ready and willing to contribute to the cause and worked hard all year long.

With eight varsity members and a crop of promising sophomores returning, we can only say, wait until next season Ohio AAA.

## **RESERVE**

This team spirit was typically exemplified all season.

The 1974-75 Xenia High Reserve basketball team has swept to 17 straight victories over league opponents and a second place tie with Fairmont West.

The Bucs finished just one game behind league leading Centerville, whom they defeated earlier in the season.

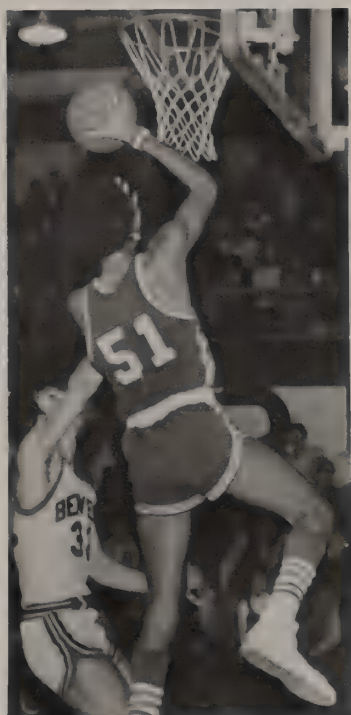

## **SOPHOMORE**

The 1974-75 sophomore basketball team finished the season with a 3-12 basketball record however, they finished on a winning note.

The sophomore team should show promise for the reserve and varsity teams next season. Standout's this year were: Mike Duffey, Alan Schott, John Martin, Joe Lewis, Bob Peterson, Ken Boddie, Sam Luttrell and Brian Boyer.

## GYMNASTICS HISTORY 1974-75

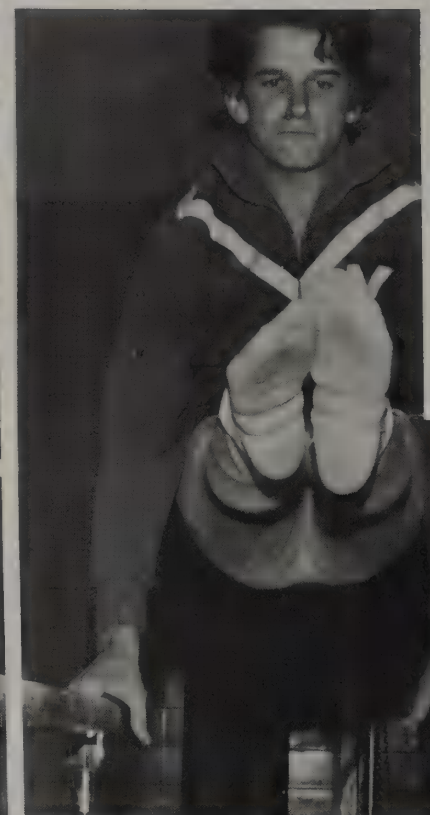

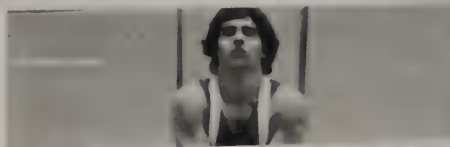

This has been a year of progress for Xenia's gymnastic team. Competitive gymnastics at Xenia began with the 1964/65 season and slight turnout has sometimes hampered its growth. However, we hope that is changing. This year's team was much more competitive with some of the better established teams in the area. Kendell Savage competed in the league finals and in the State meet. Rex Person received the Coaches Award and was an asset to the team. Mark Leeper, voted "best first year" gymnast, shows potential and Terry Martin, voted "most valuable" aided greatly in team spirit.

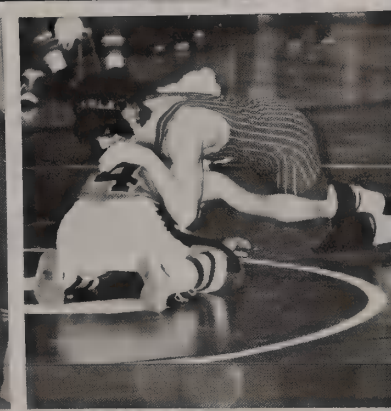

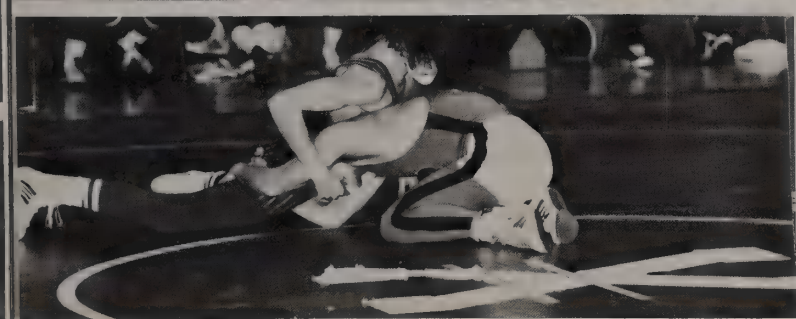

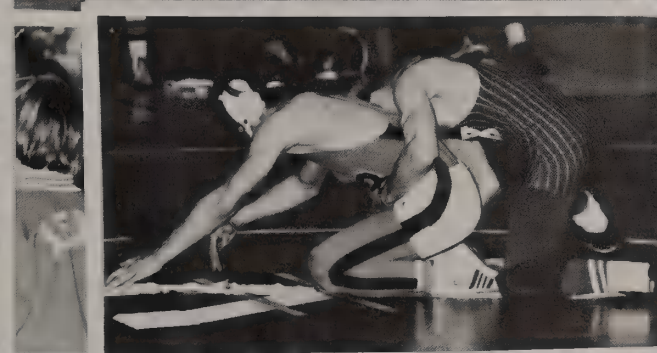

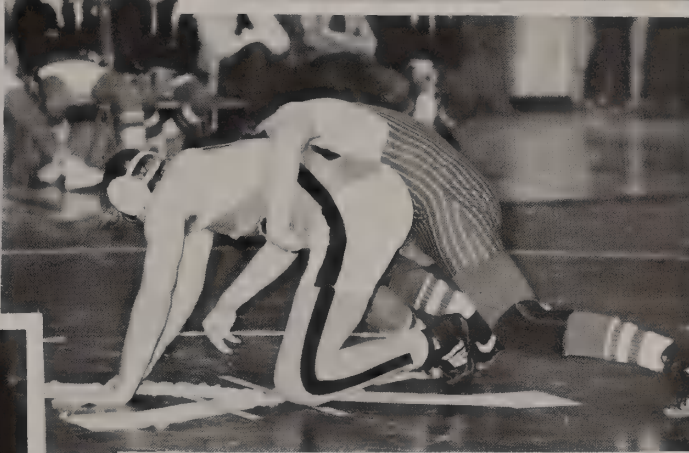

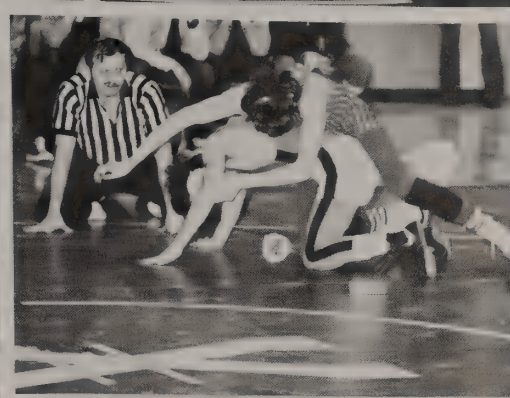

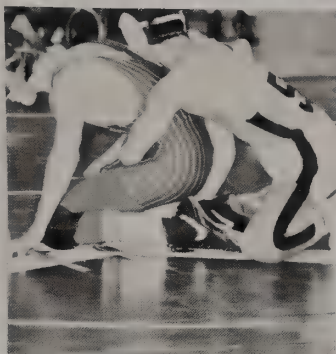

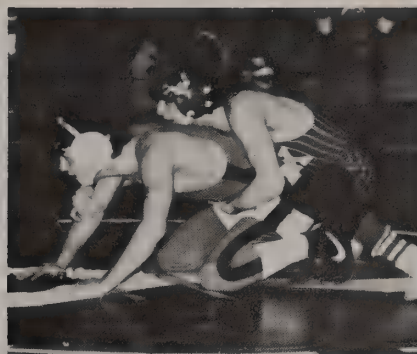

## WRESTLING HISTORY 1974-75

The 1975 Xenia Wrestling Season was successful in many ways. The team saw many great prospects for the future. 138 lb's division promises to be exciting for the next two years with Reed Moeller dominating that class. Other heavyweights in the W.O.L. for the 1975-1976 year will be on the lookout for Bruce Robinette who went to the State this year as a junior and promises to be a strong contender next year. Xenia will be hurt by the loss of veterans Dave Breitenstein and Paul Brock who will graduate this year.

# Boys' State and Girls' State

Buckeye Boys' and Girls' State is a one week course in government by means of practical application. Each summer the American Legion and the American Legion Auxiliary plan and sponsor Buckeye Boys' and Girls' State. Delegates are selected from throughout the state to participate in this experience. A model government is established with the delegates vying for the various positions and seeking to have their ideas presented and possibly enacted into law by this mock government.

A number of other service organizations assist the Legion in underwriting the cost of sponsoring delegates. Candidates must be juniors and have demonstrated strong leadership and scholarship ability and believe in the ideals of "God and Country." Delegates must have the endorsement of their high school, plus final acceptance by the sponsoring Legion Post or Auxiliary. Normally Xenia High can send four delegates to Buckeye Boys' State and two to Girls' State.
